The man got his thumb in Knight's mouth and in pulling it out brought two of his teeth along. Mr. Knight finally succeeded in driving him away. ROOSEVELT GOES EAST

His "Swing Around the Circle" Finished.

FOR PRESIDENT IN THE YEAR 1904.

People of Milwaukee Had Cards With Such an Inscription—The Governor Given a Rousing Ovation—Spoke For President's Philippine Policy.

CHICAGO, June 29.—Governor Roosevelt arrived in Chicago from Milwaukee over the Northwestern road. The run of 87 miles was made in 90 minutes, record breaking time. A carriage took the governor to the Lake Shore depot, where he left for the east. Many shook hands with him at the depot and he was given a hearty goodbye.

MILWAUKEE, June 29.—"He won with our boys in blue and he will be our president, too." Thus ran one of the banner inscriptions displayed in Milwaukee's flower parade of which Governor Theodore Roosevelt was the center of attraction. But this apparently did not interest the governor half as much as did that other, displayed everywhere and on every lip, "Our Teddy." The carriage in which the governor rode led the parade, headed by a mounted escort and band, through the ranks of thousands of spectators drawn up on both sides of Grand and Prospect avenues.

Little girls and young women ran out to the carriage and threw in clusters of roses and bunches of sweet peas until it was a bower of flowers.

In the hats of hundreds of men were little white cards, on which was printed: "Teddy, 1904." Time and time again the shout went up from street corners and crowded office windows: "Roosevelt for president." The governor was on his feet nearly all the time he was in his carriage. He was kept constantly bowing.

The cries of "Rah! rah! Harvard!" along the line pleased him very much, as next to Mrs. Roosevelt and Oyster Bay, Harvard is said to come in his affections.

Early in the day the governor visited the Deutscher club. He spent a few moments there and then was taken to the Press club, where he wrote his name on the wall and made a short speech. Then he went to the Milwaukee club, where a breakfast was given him. Many prominent people were present, including Lieutenant Ferguson, Governor Scofield, George W. Peck, Mayor Rose, Senator-elect J. V. Quarles and others.

The governor made no speech at the breakfast. His health was drunk and he briefly responded with thanks. The board of trade committee then called for him, and he spent about ten minutes in the pit and made a short speech, in the course of which he advocated support of President McKinley's policy in the Philippines.

After the members of the board had shaken hands with him he was driven to the Pabst breweries and then to the residence of Captain Pabst. Following this came the flower parade.

While at the hotel the governor was called upon by Henry C. Payne and was in conference with him for a few moments.

The Hamilton club of Chicago telegraphed asking him to an informal luncheon, but he could not accept. A telegram which pleased him much was this:

ALBIA, Ia., June 28.
Theodore Roosevelt, Milwaukee:
Hurrying home, and had hoped to reach Milwaukee in time to welcome you. So sorry to miss you by one day.

CHARLES KING, General.

The governor replied to this by writing the following:

General Charles King, Milwaukee:
Am really touched by your telegram. I deeply appreciate it. Am so very sorry to miss you.

THEODORE ROOSEVELT.

Milwaukee ended the governor's swing around the circle and during his journey he ignored the politicians and cultivated the people.
"I return to New York," he said, "more conscious than ever of what the heart of the American people is."

Non-Unionists Threaten Unionists.

ANDERSON, Ind., June 29.—Every man at Lapel is armed and the local hotel has been converted into a fort to resist the threatened return of the non-unionist mob which made an attack and demolished all the windows and part of the building itself. The threat that the building and all the union men would be blown up with dynamite caused such preparations to be made. Sheriff Moore is in charge of the town with his deputies and has been able to keep the warring factions quiet.

Murdered in Horrible Manner.

PROVIDENCE, June 29.—Sadie B. Matthews, 26 years of age, was murdered by her alleged paramour, Samuel S. Owens, 57 years of age, at Foster, R. I. It was claimed that both were drunk and that Owens drove the woman into the yard, knocked her down and split her head open with an ax, stabbed her twice in the breast with a carving knife and then, pouring kerosene oil over her, set her on fire while she was still breathing. Her body was burned to a crisp. Owens was arrested.

Arrests For Alleged Counterfeiting.

DUBOIS, Pa., June 29.—United States officers made a raid on the home of Philip Patrick at Pottsville, Jefferson county, and captured a complete outfit for the manufacture of spurious coin. Patrick was arrested on the charge of counterfeiting and his daughter, Mrs. Anna Lankard, on the charge of passing the spurious money.

DEATH ON GOLD TRAILS.

Argonauts Perished and Others Bore Awful Hardships—Successful Strike Reported Made.

SEATTLE, Wash., June 28.—W. D. Doolittle of Irvington, N. J., arrived here after undergoing fearful experiences during the past year. He attempted to enter the Alaska gold fields over the Edmonton route, but failed and returned to Telegraph creek out of food and barely able to make his way known. He said in part: "Of 14 men on their way to Telegraph creek nine perished in a snowstorm. Three men were found dead in a cabin at Moose lake. They died from scurvy." He said that late in May, Porter, the government agent at Telegraph creek, sent a relief party into the Liard district. They distributed provisions to about 500.

SAN FRANCISCO, June 28.—Eight miners reached here from Alaska with \$250,000, the result of about two years' digging within about 20 miles of Dawson. One of them named W. H. Armstrong, "and every steamer brings a lot more to swell the list. There will be a fairly good cleanup this year around Dawson, but it will belong to ten times as many men as last year's output."

NEVADA CITY, Cal., June 28.—Mrs. Norval Douglas of San Francisco received a letter saying her son, Harry Douglas, with 25 picked miners from California who left June 2 of last year for Siberia, perished from privation and cold.

SEATTLE, Wash., June 28.—Advisers from the newly discovered gold fields at Cape Nome, Alaska, were contained in a letter from Major E. S. Ingraham of Seattle, who wrote under date of Feb. 2, 1899. Major Ingraham is the leader of a party of 14 men who were fitted out by Prince Luigi of Italy and local business men. He went first to Kotzebue sound and later crossed overland to Cape Nome with a portion of the party, enduring considerable hardships. Part of the time the men had but two panes a day. Major Ingraham sent encouraging reports of gold strikes.

HEARD ARCHBISHOP IRELAND.

English Catholic Union Society Listed to an Address by the American.

LONDON, June 28.—The Duke of Norfolk, premier duke, hereditary marshal and chief butler of England, presided at a special meeting of the Catholic Union Society of Great Britain, convened to hear an address by Archbishop Ireland.

Archbishop Ireland expressed his pleasure at having an opportunity to address some of the great hereditary families of England, who had distinguished themselves in science, art and literature. The liberty granted by England to Roman Catholicism would, he believed, greatly influence the nations of the world, who would imitate her action on this question, and her example would thus be the means of extending the church of Rome throughout the world.

Referring to the cordial relations between Great Britain and the United States, the archbishop said he hoped this friendship would increase as the years passed—a sentiment which was received with hearty cheers.

Bishop Thomas O'Gorman of Sioux Falls and the bishop of Emmaus, Palestine, were among those who listened to the address.

TOLEDO, June 28.—Martha Burroughs, who has records in Chicago and Cincinnati, as well as on the Pacific coast, was committed to the insane asylum while being tried for perjury. She recently served a term in the workhouse, the result of which was damage suits for \$1,000,000 filed by her in the United States circuit court against the cities of Fremont and Toledo.

She soon after was arraigned for perjury in connection with the trial of Superintendent Beckwith of the workhouse, whom she had before the city council for alleged abuse while she was a prisoner.

MORE NON-UNIONISTS LEFT.

Mobs at Cleveland Stoned Them and Damaged Cars.

CLEVELAND, June 28.—More outbreaks occurred in several quarters of the city, non-union men on the Big Consolidated lines being stoned and forced to abandon their cars. Only two cars were operated by non-union men on the Broadway line and these were repeatedly stoned, every window being broken and the conductors and motormen being repeatedly struck.

At Astell avenue a mob several hundred strong was broken up by police. The non-union car men took to their heels, pursued by the crowd, but made their escape. The abandoned cars were wrecked by the mob.

Similar scenes were enacted at noon at Denison and Rhodes avenues and Burton and Clark avenues. The exodus of non-union men from the city continued.

FOR AN OHIO SCHOOL.

Pittsburg Divine on a Committee to Raise Money.

PITTSBURG, June 28.—Rev. Sherman W. McCorkle, Ph. D., pastor of the Fifth Avenue M. E. church, was notified of his appointment as the Pittsburg member of the committee which was appointed to raise \$50,000 in Pennsylvania for the endowment fund of Mount Hope university at Rogers, O.

Mt. Hope university is one of the best known schools in the state of Ohio. It is located in the little town of Rogers, and is conducted under Presbyterian auspices. Dr. McCorkle took a post-graduate course there and was given the degree of Ph. D.

Bad management keeps more people in poor circumstances than any other one cause. To be successful one must look ahead and plan ahead so that when a favorable opportunity presents itself he is ready to take advantage of it. A little forethought will also save much expense and valuable time. A prudent and careful man will keep a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy in the house, the shiftless fellow will wait until necessity compels it and then ruin his best horse going for a doctor and have a big doctor bill to pay, besides; one pays out 25 cents, the other is out a hundred dollars and then wonders why his neighbor is getting richer while he is getting poorer. For sale by all druggists.

Mr. E. Helmerich, editor of the New Philadelphia "Ohio Democrat," came to Canton Monday with his father-in-law, Dr. J. D. Loutzenheiser, to consult with physicians with a view of having an operation performed for enlargement of the prostate glands from which Dr. Loutzenheiser has suffered for some time. His condition is quite critical.
